

Lord we pray

(Solo Marcell/Stefan)

-Intro (Bläser)-

(dann nur Frauen)

For our families and our closest friends
Lord we pray, Lord we pray
For the ones we love and our enemies
Lord we pray, Lord we pray

- Chorus -

Lord in heaven hear our prayer
as we gather at your throne
hear our crying, hear our pleading
Lord we trust in you alone

(nur Männer!)

For the weak and sick
and the poorest ones
Lord we pray, Lord we pray
For all aching hearts and all weary souls
Lord we pray, Lord we pray

- Chorus -

Lord in heaven hear our prayer
as we gather at your throne
hear our crying, hear our pleading
Lord we trust in you alone

- Solo Marcell/Stefan -

*Don't let the sun go down upon your
anger and be renewed in the spirit of
your mind*

- (alle)

And live in harmony with one another
be tender hearted, honest and kind
be tender hearted, honest and kind

- Interlude (Bläser) -

- Chorus -

Lord in heaven hear our prayer
as we gather at your throne
hear our crying, hear our pleading
Lord we trust in you alone

Lord in heaven hear our prayer
as we gather at your throne
hear our crying, hear our pleading
Lord we trust in you alone

hear our crying, hear our pleading
Lord we trust in you alone

Lord we trust in you alone
